All Sponsor company logos will be displayed throughout the meeting on an overhead screen. Your company biography of services will be announced to the audience by the meeting facilitator. We suggest biographies be limited to 50 words. See grid attached for benefits of sponsorship. You will have the option of making your own introductory announcement of your company and services to the audience. Let the General Manager know in advance, and you will be invited to the lectern to introduce your company. We ask that you keep your comments to a maximum of two minutes.

A six (6) foot rectangular table will be available for all sponsorship levels, except Bronze, to display your company information, materials, and promotional items. Items such as candy, nuts, or popcorn are popular afternoon treats, appreciated by the attendees. If you desire to hold your own raffle and collect business cards, we will provide time for you to give away your prize at the end of the day. We ask that all winners must be present to receive the prize. We encourage your participation in our end of

the day raffle which we restrict to claims adjusters, supervisors, and managers. Put your business card on the door prize for recognition.

All sponsor logos will be acknowledged in the Meeting Agenda flyer which is sent to the membership. Up to six sponsors per meeting will be highlighted.
